## EXCLUSIONS

Benefits shall not be provided in any of the following circumstances or for any of the following conditions under the terms of this policy:

- To the extent benefits are provided or covered by any governmental agency, except as otherwise provided by law.
- Expenses for services incurred as a result of any work related injury or illness, including any claims that are resolved pursuant to a disputed claim. The only exception would be if the Insured is exempt from state or federal Workers' Compensation Law.
- Any injury or illness resulting from any act of war or from explosion of atomic or similar fissionable materials in war (declared or undeclared) or any Illness or Injury contracted or incurred during military service, including any complications or recurrences thereof, or national disaster; participation in a felony, riot or insurrection.
- Immunizations required for travel abroad, including but not limited to cholera, plague, typhoid, typhus, and yellow fever.
- Any situation in which no specific medical treatment plan or psychiatric plan is furnished, including but not limited to rest cure, detoxification setup, custodial care, etc.
- Hospital benefits when hospitalization is primarily for diagnostic studies or physical therapy when such procedures could have been done adequately and safely on an outpatient basis.
- Pregnancy tests.
- Maternity care benefits, except for involuntary complications of pregnancy which shall be covered as any illness condition.
- Laetrile (amygdalin); acupuncture.
- Routine eye refractions, eye glasses; visual therapy or training.
- Radial keratotomy (refractive keratoplasty or other surgical procedures to correct refractive errors/astigmatism).
- Routine hearing examinations; hearing aids.
- Humidifiers; vaporizers; air conditioners; or any other air filtration or purification unit or system.
- Physical fitness or physical therapy equipment, including but not limited to whirlpools, spas, hot tubs; weight lifting equipment; charges in or by health spas, and charges for weight reduction programs.
- Heating pads, contour chairs, and therapeutic beds (not including certified, standard model hospital beds which will be paid under the durable medical equipment section).
- Investigative treatment as determined by Regence BSI pursuant to the definitions section of these general provisions.

- Cosmetic and/or reconstructive services and supplies, including services and supplies related to a previous cosmetic procedure or complications of a previous cosmetic procedure, except as follows:
  - √ Related to breast reconstruction following a mastectomy to the extent required by law (refer to the women's health and cancer rights provision for additional information);
  - √ Due to a trauma, infection, or other disease of the involved part; or
  - √ Due to a congenital disease or anomaly for an Insured dependent child.
  - √ For the purposes of this exclusion, cosmetic means a procedure that primarily improves or changes appearance and does not primarily restore an impaired function of the body.
- Routine foot care (including removal of corns or calluses or trimming of nails), foot impression casting including x-rays incidental to casting, orthopedic shoes, arch supports, and other supportive devices for the feet.
- Benefits which are payable under any automobile no-fault coverage (unless the automobile contract contains a coordination of benefits provision, in which case, the Coordination of Benefits provision of this Policy shall apply) when such contract or insurance is issued to or makes benefits available to the Insured, whether or not application is duly made therefore.
- Procedures related to sex transformations.
- Services and supplies for or in connection with: (1) infertility treatment, except to the extent covered services are required to diagnose such a condition, (2) reversal of sterilization; (3) surrogate pregnancy; (4) Assisted Reproductive Technology (ART) procedures; and (5) fertility drugs and medications (Pergonal, etc.).
- Charge for services and supplies: (1) for which an Insured is not required to make payment, (2) that are made only because benefits are available under this policy, or (3) for which an Insured would have no legal obligation to pay in the absence of this or any similar coverage.
- Expense for services furnished by a provider who is related to the Insured by blood or marriage or who resides in the Insured's household.
- Prescription drugs and medicines for smoking cessation.
- Charges for telephone or internet consultations; missed appointments; claim form completion; interest charges; legal services; obtaining medical records; setup and delivery of durable medical equipment; or provider travel and/or lodging expenses.
- Convenience items such as telephones; television; guest trays or meals; personal hygiene items or services; or homemaker or housekeeping services, except by home health aides as ordered in a hospice treatment plan.
- Drugs and supplies not requiring a prescription order, including but not limited to aspirin, antacid, benzyl peroxide preparations, cosmetics, medicated soaps, food supplements, syringes, and bandages; Antabuse, Methadone, Minoxidil, or Rogaine hair preparations; experimental drugs, including those labeled "Caution-limited by Federal Law to Investigational Use"; and prescription medication related to health care services which are not covered under this policy. Notwithstanding this exclusion, Regence BSI may choose to cover certain over-the-counter medications when prescription drug benefits are provided under this policy. Such approved over-the-counter medications must be identified by Regence BSI in writing and will specify the procedures for obtaining benefits for such approved over-the-counter medications. Please note that the fact a particular over-the-counter drug or medication is covered does not require Regence BSI to cover or otherwise pay or reimburse the Insured for any other over-the-counter drug or medication.
- Elective abortions, except to preserve the life of the female policyholder or spouse upon whom the abortion is performed.
- Services and supplies related to dentistry, dental implants, orthodontic treatment, or oral surgery whether necessary due to an accident, disease, deformity, or dental treatment, except as provided in this policy.
- Orthodontic bracing for treatment of temporomandibular joint (TMJ) disorders.
- Any services, supplies, or charges which result from the treatment of any direct or indirect complication of any illness or condition for which coverage is not or was not provided.
- Diabetic education programs and services.
- Diet and weight monitoring and educational services.

- Special foods, diets, vitamins, minerals, dietary and nutritional supplements, and nutritional therapy.
- Any medical or surgical procedures primarily for treatment of obesity that are intended to result in weight reduction, or for reversal, revision, or complications of surgery for obesity.
