## **Introduction**

This booklet provides a list of Regence MedAdvantage + Rx Classic (PPO) and Regence MedAdvantage + Rx Enhanced (PPO) network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Regence MedAdvantage + Rx Classic and Regence MedAdvantage + Rx Enhanced's formulary. If you have additional questions, please call our Customer Service Department at 1-800-541-8981, our telephone hours are 8:00 a.m. to 8:00 p.m. Monday through Friday. From October 15 through February 14, Customer Service is available from 8:00 a.m. to 8:00 p.m., seven days a week. (TTY/TDD users should call 711.) Or, visit [www.regence.com/medicare](http://www.regence.com/medicare).

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by Regence MedAdvantage + Rx Classic and Regence MedAdvantage + Rx Enhanced. In most cases, your prescriptions are covered under Regence MedAdvantage + Rx Classic and Regence MedAdvantage + Rx Enhanced only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.
