* A benefit period begins on the first day you receive service as an inpatient in a hospital and ends after you have been out of the hospital and have not received skilled care in any other facility for 60 days in a row.

** NOTICE: When your Medicare Part A hospital benefits are exhausted, the insurer stands in place of Medicare and will pay whatever amount Medicare would have paid up to an additional 365 days as provided in the policy's "Core Benefits." During this time the hospital is prohibited billed charges and the amount Medicare would have paid.
