To make a change in the Medicare Advantage plan you have with Regence BlueCross BlueShield of Utah, fill out the attached plan benefit selection form. Select the plan you would like and sign the form. Then mail the completed form back to us in the enclosed postage-paid envelope.

Please be aware that you can change health plans only at certain times during the year. Read the information below very carefully before making a new plan selection.

- ♦ If you are currently on our plan without drug coverage and want to switch to one of our plans with drug coverage, you can only do so between November 15 and December 31.
- ♦ If you are currently on one of our plans with drug coverage and want to switch to our plan without drug coverage, you can only do so between November 15 and December 31.
- ♦ If you are currently on one of our plans with drug coverage and want to switch to our other plan that offers drug coverage, you can only do so between November 15 and March 31.

Generally, you cannot make changes at other times unless you meet certain special exceptions, such as if you move out of the plan's service area. If you qualify for extra help with your prescription drug costs, you may enroll in, or disenroll from, a plan at any time. If you lose this extra help during the year, your opportunity to make a change continues for two months after you are notified that you no longer qualify for extra help.

Your Plan Premium Options

If you are currently receiving premium bills from us, having your premium deducted from your bank account or from your Social Security check, you can continue to use this method. If you need to change how you pay your plan premium, please contact Customer Service at the telephone number on the back of this form.

If we determine that you owe a late enrollment penalty, your monthly premium will include that amount.

People with limited incomes may qualify for extra help paying their prescription drug costs. If eligible, Medicare could pay for 75% or more of your drug costs including monthly prescription drug premiums, annual deductibles, and coinsurance. Additionally, those who qualify will not be subject to the coverage gap or a late enrollment penalty. Many people are eligible for these savings and don't even know it. For more information about this extra help, contact your local Social Security office or call 1-800-MEDICARE (1-800-633-4227), 24 hours per day, 7 days per week. TTY/TDD user should call 1-877-486-2048.

If you qualify for extra help with your Medicare prescription drug coverage costs, Medicare will pay all or part of your plan premium for this benefit. If Medicare pays only a portion of this premium, we will bill you for the amount that Medicare does not cover.
