## **Welcome!**

This booklet provides a list of our network pharmacies as of January 1, 2010. Pharmacies being listed in this directory do not guarantee that the pharmacy is open or is at the same location as listed. Pharmacies may have been added or removed from our network and this list after this directory was printed. To get current information about network pharmacies in your area, please visit our website at the address on the back cover or call our Customer Service Department at 1-800-541-8981, from November 15 through March 1 our telephone hours are 8 a.m. to 8 p.m. seven days a week. After March 1 our telephone hours are 8 a.m. to 8 p.m., Monday through Friday, and you may leave a message on Saturdays, Sundays and holidays. We will return your call on the next business day. (TTY/TDD users should call 711.)

## **Network Pharmacies**

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where you can obtain prescription drug benefits provided by us. In most cases, your prescriptions are covered only if they are filled at a network pharmacy or through our mail order pharmacy service.

You are not required to continue going to the same pharmacy to fill your prescription, you can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

## **For more information**

For more detailed information and to get a complete description of your prescription drug coverage, including how to fill your prescriptions, please review the Evidence of Coverage and our formulary.

If you have questions, please call our Customer Service Department at 1-800-541-8981, from November 15 through March 1 our telephone hours are 8 a.m. to 8 p.m. seven days a week. After March 1 our telephone hours are 8 a.m. to 8 p.m., Monday through Friday, and you may leave a message on Saturdays, Sundays and holidays. We will return your call on the next business day. (TTY/TDD users should call 711.) Or, visit our website at the address on the back cover.
