Out-of-Pocket (OOP) Maximum:

The benefits of this plan will be provided until the OOP maximum is reached. Thereafter, this plan will provide benefits at 100% of the allowed amount for the remainder of the benefit year. Any balances of charges not covered by this plan will be your responsibility to pay and do not apply to the OOP maximum. The annual deductible, emergency room, substance abuse care, mental health care and temporomandibular joint disorder do not apply to your OOP maximum.

Emergency Room:

Emergency room treatment at either a network or non-network facility is paid at the network level if it is a true medical emergency. Care at a non-network facility when the condition is not a true medical emergency, will be paid at the non-network level.

Network versus Non-Network Providers:

To receive the highest benefit level, you must receive services from a Blue Cross Blue Shield Plan Preferred Provider Organization (PPO) provider. Networks are available in nearly all Boeing locations in the U.S. – To find a network provider call **1-800-810-BLUE (2583)**. If you receive care where no network is available, benefits will be paid at the network level. You may also visit the Boeing Health and Welfare Plans Web site at:

<http://www.boeing.com/express>
or call **1-866-473-2016**

for names of PPO providers with the local Blue Cross and/or Blue Shield plan.
